CARL DEMAIO
CITY COUNCIL – DISTRICT 5

MEMORANDUM

DATE: November 8, 2010

TO: Mayor Jerry Sanders

FROM: Councilmember Carl DeMaio 

RE: Review of Potential Proposals to City Labor Units

The City of San Diego must make tough but necessary decisions to balance the FY 12 budget without impacting police and fire services. I understand that labor negotiations are currently underway.

To avoid the risk of regressive bargaining, I respectfully request that the Mayor bring to the City Council and City Attorney any proposals to closed session prior to their being offered to a bargaining unit of the City.

Additionally, I request a briefing be docketed for closed session as soon as possible.
